3FREUNDE
SHIRTS - BIO - FAIR

UNIVERSITÄT HOHENHEIM

3FREUNDE
SHIRTS - BIO - FAIR

3Freunde is a shirt label producing T-shirts and hoodies from organically certified fair trade cotton. The 3 friends follow each step throughout the production process, starting from a fair salary and working conditions for cotton producers to guaranteed high quality for the customers. Their fashion is sincere and good instead of cool and expensive. As everyone has another idea of pretty fashion, you can decorate your T-Shirt with your own illustration.

lecture about a fair way to produce fashion
with Stefan Niehammer
from the T-Shirt label 3Freunde

Can pretty fashion be fair?

19:30h in HS4

Wednesday 20th of may
